CORPORATE *chic!*

CONFIDENCE STARTS IN THE CLOSET.

CORPORATE *chic* is a unique and fun workshop designed to empower the women of your organization!

This non-traditional program teaches women of all budgets, shapes and professions how to build the most affordable and wearable workplace wardrobe!

Your group will learn how to*:

Make a fantastic first impression

Use body shape basics to take advantage of your personal shape

Choose your workplace investment pieces

Build the most affordable, long lasting wardrobe

Find high quality pieces at low prices

Update your conservative pieces and become “CORPORATE *chic!*”

**Literature and give-aways are also available.*

Educational, energizing, empowering AND entertaining!
